## OUR COMMITMENT

We combine years of experience with the latest in equipment and technology to bring you services that meet the highest industry standards. And when it comes to safety, our standards are even higher. We provide the safest conditions and equipment for all employees to reduce the possibility of accident occurrence. Our crews are trained to the highest industry standards. In addition, we perform Job Safety Assessments before every work day.

## You can rely on CHI

Drillers and producers have been relying on CHI—Charles Holston, Inc.—to meet their needs for more than 25 years. We offer a huge spectrum of services for oil and gas operations, including tank and vessel cleaning, painting and blasting, environmental services and equipment rental. With a wide range of turnkey services, highly qualified personnel and an unparalleled dedication to safety—you truly can rely on CHI to meet all your needs.

### Dockside

We offer two dockside facilities dedicated to cleaning boats and equipment with locations in Cameron and Fourchon. Our facilities use a custom fabricated Weir System to reuse and recycle wash water, and a full range of equipment and technology.

### Offshore

We offer NORM Surveys, NORM cleaning and NORM waste disposal. We also provide tank degassing and vessel cleaning, process vessel degassing and cleaning and high pressure lancing.

### Offshore Painting and Blasting

We offer platform painting and blasting, fireproofing, floor coatings, lead abatement, plus a complete suite of preparation methodologies including sandblasting and water blasting. We also provide turnkey paint maintenance and application of high performance coatings.
