

Environment

OMNI's Commitment

OMNI will conduct our operations in an environmentally responsible manner, and will work to reduce environmental impacts within realistic limits. We will continuously seek to improve our environmental efficiencies across our facilities and operations throughout the U.S.

OMNI is committed to:

- Reducing energy consumption and conserving energy
- Reducing carbon emissions from electricity and gas
- Reducing material consumption and disposable waste
- Increasing recycling and conservation
- Increasing use of recycled products
- Providing environmentally efficient cleaning, transportation and disposal solutions to our customers
