OUR COMMITMENT

We combine years of experience with the latest equipment and technology to provide equipment and services that meet the highest industry standards. We provide training to keep safety a top priority. We have grown by providing our customers with productive, hands-on management, and evolving product and service capabilities to best meet their needs.

Preheat is your leading resource for oilfield, commercial and industrial cleaning equipment and services. We also provide wellhead installations, and a complete line of heat treating supplies and services.

Equipment Capabilities

We have a broad inventory

Our extensive fleet of rental equipment ranges from pressure washers, including a premier distributorship for Sioux Steam Cleaners for the southeast U.S., to our highly effective Vac-Pac used on drilling sites and for environmental cleanups and abatement. Our broad range of equipment and services helps customers improve efficiency and increase ultimate productivity. Our rental equipment fleet includes:

- Explosion proof pressure washers; steam cleaners, shaker screen cleaners, mud vac systems, cooling fans and rig floor cameras
- We also stock air-operated mud buckets, ID pipe wipers, ditch magnets, cross over subs and test stands
- We are the leading Gulf Coast distributor for the Sioux Corporation pressure washer line, providing full sales and service for electric explosion-proof hot and cold water pressure washers.
