SERVICES

- Frac Tank Rental
- Water Trucks
- Winch Trucks

OUR COMMITMENT

We combine years of experience with the latest in equipment and technology to bring you services that meet the highest industry standards. And when it comes to safety, our standards are even higher. We provide the safest conditions and equipment for all employees to reduce the possibility of accident occurrence. Our crews are trained to the highest industry standards. In addition, we perform Job Safety Assessments before every work day.

You Can Rely on CHI Fluid Services

Drillers and producers have been relying on CHI—Charles Holston, Inc.—to meet their needs for more than 25 years. Our spectrum of services for land based oil and gas operations includes equipment rental, a wide range of turnkey services, highly qualified personnel, and an unparalleled dedication to safety. Our expansion to the Rocky Mountain region is an extension of the reputation we have built in over 30 years in the industry. Now, Rocky Mountain region customers can rely on CHI for Innovation, Integrity and Efficiency; and for superior fluid services equipment and unmatched service.

Frac Tank Rental and Transportation

Our comprehensive range of land based services includes an extensive inventory of frac tanks and state-of-the-art fleet of water trucks and winch trucks dispatched from our northern Utah facility.
